

"RECOGNIZING LEAN TRANSFORMATION"

OCT 23-24.2019
LEAN IN PUBLIC SECTOR - LIPS QATAR

The 2-day event includes a combination of hands-on training in Lean Fundamentals and Lean Government Framework, presentations, case studies, experiential learning simulations, and discussions.

LIPS workshop will provide an international venue for key stakeholders in Qatar to share their stories along with colleagues from around the world. In addition, the workshop is designed to transfer Lean Thinking over to various areas in public governance and public systems to enhance the quality, efficiency, productivity, and reliability of public services. Lean, with its multitude of benefits and coverage, is the need of the hour and a promising investment towards realizing Qatar Vision 2030.
